

# ASIA PACIFIC ENDO-LAP SURGERY GROUP

## Vietnam Localized Workshop Preliminary Program

---

**Date**

25-26 October, 2019

**Location**

UMC, Ho Chi Minh City, Vietnam

**Course Director:**

Dr. Vo Duy Long

**Proposed Regional Faculties:**

Prof. Michael Li, Hongkong

Prof. Philip Chiu, Hongkong

Prof. Do Joong Park, Korea

Dr. Vo Duy Long, Vietnam

Dr. Le Quang Nhan, Vietnam

Dr. Nguyen Ta Quyet, Vietnam

Dr. Nguyen Vu Tuan Anh, Vietnam

**Workshop**

Advanced Endo-Laparoscopic Application for Upper GI Endoscopists and Surgeons

**Training Objective**

1. To promote the advantages of endoscopy and laparoscopy for Endoscopists and Surgeons thru didactics lectures.
2. To teach from basic to advanced endoscopy and laparoscopy to Endoscopists and Surgeons via hands-on training (on simulations, wet boxes and cadaver).

**Targeted Trainee**

9 Endoscopists and 9 Surgeons

**Teaching Method**

Dialectic lectures & Hands on Training  
Instructional Video

# ASIA PACIFIC ENDO-LAP SURGERY GROUP

## Program

### Day 1 Sat 25 Oct 2019 **Hands on**

0800-0815	Welcome message	Michael Li
0815-0830	Course Introduction	Vo Duy long
0830-0840	Group Photo	
0840-0900	Utilization of Endo-lap concept for Upper GI surgery	Michael Li

#### 1. For Surgeons

0900 – 1000 Basic skills: laparoscopic suturing... (*3 stations of simulators (3 surgeons / simulator)*)

3 stations of cadaver for laparoscopic surgery for Surgeons (*3 surgeons/station*)

1000 - 1130	Laparoscopic distal gastrectomy
1130 – 1230	Laparoscopic reconstruction after distal, total gastrectomy
<b>1230 – 1330</b>	<b>Lunch</b>
1330 – 1500	Laparoscopic myotomy and fundoplication
1530 – 1630	Laparoscopic sleeve gastrectomy

#### 2. For Endoscopist

3 stations of pig stomach for endoscopists (*3 Endoscopists / station*)

0900 – 10:30	EMR	
1030 – 1230	ESD	
<b>1230 – 1330</b>	<b>Lunch</b>	
1330 – 1430	3 stations of simulators ( <i>3 Endoscopists / simulator</i> )	Basic skills: laparoscopic suturing...
1430 -1630	POEM	
1900-2100	Gala dinner	

### Day 2: Fri 25 Oct 2019 **Lectures**

Time	Topic	Faculty
<b>Session 1</b>	<b>Endo-Lap Surgery in operating room</b> <b>Chair: Vo Duy Long, Do Joong Park</b>	
0830-0840	How to set up laparoscopic theater for gastrectomy	Nguyen Vu Tuan Anh
0840-0850	Importance of team work for performing endoscopic procedure	Philip Chiu
0850-0900	How to use energy and instrument for laparoscopy of upper GI surgery	Do Joong Park
0900-0910	How to set up endoscopic theater for ESD and EMR	Nguyen Ta Quyet

## ASIA PACIFIC ENDO-LAP SURGERY GROUP

0910-0920	Laparoscopic suturing for Upper GI surgery	Nguyen Ta Quyet
0920-0930	Using stapler for performing anastomosis after gastrectomy	Nguyen Vu Tuan Anh
0930-0940	Ergonomics in Laparoscopy	Le Quang Nhan
<b>0940-0950</b>	<b>Tea break</b>	
<b>Session 2</b>	<b>Advanced Upper GI surgeries: indication and technique</b> <b>Chair: Philip Chiu, Nguyen Ta Quyet</b>	
0950-1010	Laparoscopic distal gastrectomy for gastric cancer: indication, technique and complications	Vo Duy Long
1010-1030	Sleeve gastrectomy: indication, technique	Do Joong Park
1030-1050	Laparoscopic total gastrectomy for gastric cancer: indication, technique and complications	Vo Duy Long
1050-1110	Roux en Y gastric bypass: indication, technique	Do Joong Park
1110-1130	A&Q	
<b>1130-1300</b>	<b>Lunch</b>	
<b>Session 3</b>	<b>Endoscopy for Upper GI disorders</b> <b>Chair: Philip Chiu, Le Quang Nhan</b>	
1300-1320	Treatment of Achalasia: dilation OR Heller procedure OR POEM?	Philip Chiu
1320-1340	Endoscopic diagnosis and treatment of early gastric cancer: EMR & ESD	Le Quang Nhan
1340-1400	Laparoscopic and endoscopic cooperative surgery for gastric tumors	Le Quang Nhan
1400-1420	POEM: technique and complications	Philip Chiu
1420-1440	Laparoscopic surgery for treatment of Gastrointestinal Stromal Tumors	Nguyen Ta Quyet
<b>1440-1450</b>	<b>Teabreak</b>	
<b>Session 4</b>	<b>Clinical Experience in Laparoscopic Upper GI Surgery</b> <b>Chair: Do Joong Park, Nguyen Ta Quyet</b>	
1450-1510	Heller procedure for treatment of achalasia	Vo Duy Long
1510-1530	Surgery for treatment of metabolic disease: sleeve gastrectomy OR Roux en Y gastric Bypass	Do Joong Park
1530-1550	How to perform reconstruction after total gastrectomy	Vo Duy Long
1550-1610	How to perform reconstruction after distal gastrectomy	Nguyen Vu Tuan Anh
1610-1630	A&Q	
<b>1630-1700</b>	<b>Closing and Certificate</b>
